These next questions are asked to determine what people know about the disease AIDS.

1. How much would you say you know about AIDS — a lot, some, a little, or nothing?
   - □ A lot
   - □ Some
   - □ A little
   - □ Nothing

2. In the past month, have you —
   a. seen any Public Service Announcements about AIDS on television?
      - □ Yes
      - □ No
      - □ DK
   b. heard any Public Service Announcements about AIDS on the radio?
      - □ Yes
      - □ No
      - □ DK
   c. received any brochures about AIDS from your workplace?
      - □ Yes
      - □ No
      - □ Not currently working
      - □ Self employed
      - □ DK
   d. received any brochures about AIDS from a church or religious organization?
      - □ Yes
      - □ No
      - □ DK
   e. received any information about AIDS from the American Red Cross?
      - □ Yes
      - □ No
      - □ DK

3. DO YOU THINK that doctors, nurses, dentists, and other health care workers should be allowed to REFUSE care to a person who has the AIDS virus?
   - □ Yes
   - □ No
   - □ It depends - Specify
   - □ DK

4. I'm going to read some statements about AIDS. After I read each one, tell me whether you think it is true or false or if you don't know.

<table>
<thead>
<tr>
<th>Statement</th>
<th>True</th>
<th>False</th>
<th>Don't know</th>
</tr>
</thead>
<tbody>
<tr>
<td>a. The AIDS virus can be passed on through sexual intercourse between a man and a woman.</td>
<td></td>
<td></td>
<td></td>
</tr>
<tr>
<td>b. A man with the AIDS virus can pass it on to another man through sexual intercourse.</td>
<td></td>
<td></td>
<td></td>
</tr>
<tr>
<td>c. A pregnant woman who has the AIDS virus can give it to her baby.</td>
<td></td>
<td></td>
<td></td>
</tr>
<tr>
<td>d. There is a vaccine available to the public that protects a person from getting the AIDS virus.</td>
<td></td>
<td></td>
<td></td>
</tr>
<tr>
<td>e. A person who has the AIDS virus can look well and healthy.</td>
<td></td>
<td></td>
<td></td>
</tr>
<tr>
<td>f. Oil-based lubricants, like vaseline, cause latex condoms to break.</td>
<td></td>
<td></td>
<td></td>
</tr>
</tbody>
</table>
Section V - AIDS KNOWLEDGE AND ATTITUDES - Continued

**HAND CARD A1. Read introduction if telephone interview.**

5. **(For the next statements, tell me if you think it is very likely, somewhat likely, somewhat unlikely, very unlikely, definitely not possible, or if you don't know how likely it is that a person will get the AIDS virus infection that way.)**

   **(Now look at Card A1.) In general, how likely do you think it is that a person will get AIDS or the AIDS virus from—**

<table>

Notes
### Section V - AIDS KNOWLEDGE AND ATTITUDES - Continued

#### 11a. In the past 12 months, has your workplace offered an organized AIDS education program to its employees?
- [ ] Yes
- [ ] No
- [ ] Not currently working
- [ ] Self employed
- [ ] Refused
- [ ] DK

Mark (X) only one.

**HAND CARD AZ. Read categories if telephone interview.**

#### 12. Have you ever given a blood donation?
- [ ] Yes (13a)
- [ ] No
- [ ] DK

**HAND CARD AI. Read categories if telephone interview.**

#### 13a. Have you given blood since March 1988?
- [ ] Yes (13b)
- [ ] No
- [ ] DK

**HAND CARD A1. Read categories if telephone interview.**

#### 14. In general, while GIVING A BLOOD DONATION to a blood bank, how likely is it that a person will get the AIDS virus?
- [ ] Very likely
- [ ] Somewhat likely
- [ ] Somewhat unlikely
- [ ] Very unlikely
- [ ] Definitely not possible
- [ ] DK

Mark (X) only one.

The next questions are about the blood test for the AIDS virus infection. No questions will ask what the results are of any tests you may have had.

#### 15a. (Except for tests you may have had as part of blood donations.) Have you ever had your blood tested for the AIDS virus infection?
- [ ] Yes (16)
- [ ] No (15b)
- [ ] DK (20 on page 63)

**HAND CARD A1. Read categories if telephone interview.**

#### b. Is there any particular reason why you have not been tested?
- [ ] No reason
- [ ] Don't consider myself at risk of AIDS
- [ ] Doctor/HMO did not recommend it
- [ ] Don't believe test results are accurate
- [ ] Don't believe anything can be done if I am positive
- [ ] Don't like needles
- [ ] Don't trust results to be confidential
- [ ] Afraid of losing job, insurance, housing, friends, family. If people knew I was positive for AIDS infection
- [ ] Other - Specify
- [ ] DK

Mark (X) all that apply.

---

**Page 61**
### Section V - AIDS KNOWLEDGE AND ATTITUDES - Continued

10a. How many times have you had your blood tested for the AIDS virus infection (NOT including blood donations)?

- 01 One time (16b) (NUMBER Times) (16c)
- 99 DK

10b. Was it in the past 12 months?

- 1 Yes
- 2 No (17)
- 99 DK

10c. In the past 12 months, how many times have you had your blood tested for the AIDS virus infection (NOT including blood donations)?

- 00 None in past 12 months
- 99 DK

17. In what month and year was your (last) blood test for the AIDS virus infection?

- 21 (Month) 19 (Year)

---

18. Which of these would you say were the reasons for your (last) AIDS blood test (NOT including blood donations)? (Just tell me the numbers of your answers.)

(Anything else?) Mark (X) all that apply.

- 01 Just to find out if I was infected
- 02 Because a doctor asked you to
- 03 Because the Health Department asked you to
- 04 Because a sex partner asked you to
- 05 For hospitalization or a surgical procedure
- 06 To apply for health or life insurance
- 07 To comply with guidelines for health workers
- 08 To apply for a new job
- 09 For military induction, separation or during military service
- 10 For immigration
- 11 For some other reason - Specify

- 97 0 Refused
- 99 0 DK

---

19. (Not including a blood donation) Where did you have your (last) blood test for the AIDS virus?

Mark (X) only one.

If "Clinic", Probe: What kind of clinic is that?

- 01 AIDS clinic/counseling/testing site
- 02 Community health clinic
- 03 Clinic run by employer
- 04 STD clinic
- 05 Family planning/prenatal clinic
- 06 Other clinic
- 07 Doctor/HMO
- 08 Hospital/ER/outpatient clinic
- 09 Military induction, separation or military service site
- 10 Immigration site
- 11 At home/home visit by nurse/health worker
- 12 At home - self testing kit
- 13 Other location - Specify

- 97 0 Refused
- 99 0 DK

---

20. When your blood was (last) tested for the AIDS virus, were you REQUIRED to give your name?

- 01 Yes
- 02 No
- 07 Refused

---

21. (Again not including blood donations,) AT THE TIME they drew blood for your (last) test for the AIDS virus, did a health professional talk with you about the transmission, prevention or treatment of AIDS or about the meaning of the test?

- 01 Yes
- 02 No
- 99 DK

---

22. Did you get the results of your (last) blood test?

- 01 Yes (23)
- 02 No
- 03 Only notified if there was a problem

- 97 0 Refused
- 99 0 DK

---

- HAND CARD A5. Read intro and categories if telephone interview.
### Section V - AIDS KNOWLEDGE AND ATTITUDES - Continued

#### 29a. Have you ever known anyone personally who had AIDS or the AIDS virus?
- Yes (29b)
- No
- Refused
- Don't know if has/had AIDS or the AIDS virus (30)

#### b. Who was that — a friend, relative, co-worker, or someone else?  
Mark (X) all that apply.
- Friend
- Relative
- Co-worker
- Someone else – Specify _

#### 30. What are your chances of GETTING the AIDS virus; would you say high, medium, low, or none?
- High
- Medium
- Low
- None
- Already have AIDS or AIDS virus
- Refused
- DK

#### HAND CARD A6.

#### 31. (I'm going to read five statements. AFTER I have read them all, I tell me if ANY of these statements is true for YOU. Do NOT tell me WHICH statement or statements are true for you. Just IF ANY of them are.)

**Read statements only if telephone interview.**

- You have hemophilia and have received clotting factor concentrates.
- You are a man who has had sex with another man at some time since 1980, even one time.
- You have taken street drugs by needle at any time since 1980.
- You have traded sex for money or drugs at any time since 1980.
- Since 1980, you are or have been the sex partner of any person who would answer "Yes" to any of the items I have read.

The next questions are about Tuberculosis, or TB.

#### 32. Are you worried about catching TB?
- Yes (33)
- No
- DK (34)

#### 33. How worried are you about catching TB - a lot, some, a little, or not at all?
Mark (X) only one.
- A lot
- Some
- A little
- Not at all
- DK

#### 34a. How much would you say you know about Tuberculosis - a lot, some, a little, or nothing?
Mark (X) only one.
- A lot
- Some
- A little
- Nothing (V3 on page 65)

#### b. Do you know how TB is spread from one person to another?
- Yes (34c)
- No (V3 on page 65)

**HAND CARD A7. Read categories if telephone interview.**

#### c. As you understand it, how is TB spread from one person to another?  
(Any other way?)  
Mark (X) all that apply.
- Breathing the air around a person who is sick with TB
- Through food and water
- By sexual intercourse
- It is inherited from parents
- From mosquito or other insect bites
- Other - Specify _

**Notes**
CARD YB1
1. Joined a weight loss program
2. Eating fewer calories
3. Eating special products such as canned or powdered food supplements
4. Exercising more
5. Eating less fat
6. Skipping meals
7. Taking diet pills
8. Taking laxatives
9. Taking water pills or diuretics
10. Vomiting
11. Fasting for 24 hours or longer
12. Something else (Specify)

CARD A1
1. Very likely
2. Somewhat likely
3. Somewhat unlikely
4. Very unlikely
5. Definitely not possible

CARD A2
1. A church or other religious organization
2. A family planning clinic or STD clinic
3. A hospital, HMO clinic or other health facility
4. A school
5. A social or civic club
6. Your workplace
7. Some other place (Specify)
8. Attended no programs

CARD A3
1. Just to find out / Worried that you were infected
2. Because a doctor asked you to
3. Because the Health Dept. asked you to
4. Because a sex partner asked you to
5. For hospitalization or a surgical procedure
6. To apply for health or life insurance
7. To comply with guidelines for health workers
8. To apply for a new job
9. For military induction, separation or during military service
10. For immigration
11. For some other reason (Please specify)
CARD A4
1. How AIDS is transmitted
2. How to prevent transmission
3. The correct use of condoms
4. Needle cleaning / using clean needles
5. Dangers of needle sharing
6. Abstinence from sex
7. Contraception
8. Safe sex practices
9. Other (Please specify)

CARD A5
1. Because you want to find out if you are infected
2. It will be part of hospitalization or surgery you expect to have
3. Because you expect to apply for life or health insurance
4. Because you expect to apply for a job
5. Because you expect to join the military
6. Because of guidelines for health care workers
7. Because it will be a required part of some other activity that includes automatic AIDS testing
8. Because it is required in your non-health care employment
9. Because you plan to have / begin a sexual relationship
10. Some other reason (Please specify)

CARD A6
a. You have hemophilia and have received clotting factor concentrations.
b. You are a man who has had sex with another man at some time since 1980, even one time.
c. You have taken street drugs by needle at any time since 1980.
d. You have traded sex for money or drugs at any time since 1980.
e. Since 1980, you are or have been the sex partner of any person who would answer "Yes" to any of the items above on this card.

CARD A7
1. Breathing the air around a person who is sick with TB
2. Through food and water
3. By sexual intercourse
4. It is inherited from parents
5. From mosquito or other insect bites
6. Other (Specify)
